

1463 Oceanaire Drive San Luis Obispo, CA 93405

Welcome to this updated, fresh and bright 3 bedroom, 2 bath, single level home complete with a 2nd detached, finished garage currently used as a ceramic studio and show room. The numerous updates to the lovely, warm house include designer paint, fresh exterior paint, new flooring, central vacuum, windows, appliances, kitchen counter tops, remodeled master bath, and more! The 2nd garage, with its insulated and finished walls, insulated garage doors, 100-amp electric sub-panel, and French doors leading to the garden could be used in numerous ways - for art or car collections, painting studio or pool-table and movie room. Or, return it to a garage and convert the attached garage into more living space. Enjoy a peaceful meal or entertain friends in the beautiful backyard with its lovely gardens. This home has been lovingly cared for and is ready for its new owners. This artist's retreat is truly home-sweet-home! Information not verified.
